

## The Theorists – Dr Stephen J Bavolek

### Extra resources and reading

#### [Family Links UK \(Website\)](#)

Family Links is a national charity and training organisation dedicated to the promotion of emotional health at home, at school, and at work. They offer high-quality training and resources for professionals working with families, school and university staff, and employees in the workplace. Their vision is for every child and adult to be able to realise their individual potential, enjoy positive relationships and live healthy and fulfilled lives.
