

## Homemade Bubbles

### Ingredients:

- 8 tablespoons of washing up liquid
- 24 tablespoons water
- 2 teaspoons of sugar

Mix together in a large bowl.

Can you find different items around the house to make bubbles with?

You can talk about the sizes of the bubbles, develop speech by using simple words “pop”, “OOO”, “big”

Talk about the items and weather it would make bubbles and why we don't think it would work.

How many bubbles can you make how many can you pop in 30 seconds count as you pop them.
