WHY SHOULDN'T WE DO IT

THE SECTOR

UNFAIR

UNRELIABLE

WELLBEING

NO RESULT

HOW WILL IT IMPACT THE SECTOR?

- Anxiety for parents and children?
- An accountability measure for settings.
- Commercialisation of Early Childhood Education.
- The end of Reception and potentially the EYFS in its current form.

WHAT IS THE ALTERNATIVE?

- Scrap the baseline and continue as normal.
- Retender the process.
- An 'emergency' baseline.
- Move the baseline.
